

# CALGREEN

SB1383 regulations require jurisdictions to have a mechanism by which they can enforce CALGreen's 65% C&D debris recovery rate requirement. All locally permitted additions and alterations to residential and commercial projects must adhere to these requirements.

Additions and alterations to buildings that increase the structures conditioned area, volume, or size are required to meet the 65% waste diversion requirement.

Mid Valley Disposal provides fast and reliable service for all our temporary service bins. We recycle as much of the discarded material as possible to facilitate CALGreen legislation.

# C&D MATERIALS

- ASPHALT
- CONCRETE
- DIRT
- ROCK
- DRYWALL
- METALS
- WOOD
- BRICK
- TILE
- STUCCO
- PLASTICS
- CARPET PADDING

# MID VALLEY DISPOSAL

## 2 EASY OPTIONS

TO DISPOSE OF CONSTRUCTION & DEMOLITION DEBRIS

### 1 Roll-off Containers

Mid Valley Disposal offers 10, 20, 30, and 40 yard roll-off bins serving the Fresno, Madera, Tulare, Merced, and Kings County areas to collect construction and demolition material (e.g. wood, concrete, and roofing material) from contractors & homeowners. Mid Valley Disposal provides fast & reliable roll-off services at your convenience.

### 2 Recycling & Transfer Station Self-Haul

You may transport your C&D materials generated during a business or residential construction or demolition project to Mid Valley Disposal's Recycling & Transfer Station. Mid Valley Disposal has state of the art sorting equipment to process and recycle your C&D material.

Mid Valley Disposal is at your service for tracking weight tickets for C&D loads from our MVD roll-off bins. Please inform our staff ahead of C&D loads being serviced, and we will provide you with an estimated diversion rate for each C&D load hauled to our facility. The diversion rate percentage is required on your C&D application to receive final inspection or a certificate of occupancy by the City Building Department.

## PORTABLE TOILETS

Crown Services Co. provides the latest state of the art, industrial grade portable toilets and customized solution systems suited for construction sites throughout the Central Valley. For additional information, please contact us at (559) 442-0845.
